Appellation:	Paso Robles
Alcohol:	14.1% ABV
Total Acidity:	6.6 g/L
pH:	3.55
Residual Sugar:	0.34 g/L
Aging:	20 months in 20% new French Oak barrels

Tasting Notes

Opening with dark chocolate, black cherry, and ripe plum, this deep garnet red wine also has notes on the nose of cooking spices and ceder box jump out. Raspberries and Rose petal creep in producing a complex layering of scent.

Soft round tannins coat the tongue with a balanced clean acidity. Flavors of plum and blackberry linger in the mouth while a long and clean finish complete the swallow. A delight to consume with roasted meats and hearty root vegetables.

Winemaker Production Notes

The 2023 growing season in Paso Robles was characterized as a cool, wet, and extended vintage, producing wines with high, vibrant acidity, deep concentration, and exceptional balance. Following significant winter rains that replenished reservoirs, a late, mild summer allowed for long hang times, resulting in a late harvest (starting mid-September) and high-quality, elegant fruit

Le Vigne Winery has unveiled its second-ever Estate Nero D'Avola with the release of the 2023 vintage. Planted in 2018, this bottling showcases the winery's newest vineyard development and marks an exciting step in our wine making journey. As Sicily's most important red wine grape, this special release truly honors our Italian heritage.
