Winemaker Production Notes

The 2020 vintage in Paso Robles was a test of adaptability for winemakers and vineyards, marked by low yields but generally high quality in the concentrated fruit that was harvested.

Comprising 100% Sangiovese grapes from our Acquarello Vineyard, harvest was early with the classic Méthode Champenoise in mind. Primary alcoholic fermentation finished at a light 9.5% ABV followed by tirage for refermentation where it aged on the lees for 18 months, then was riddled and disgorged.
