Alcohol:	12.5 % ABV
Total Acidity:	0.87/100mL
pH:	3.25
Residual Sugar:	1.53 g/L
Aging:	Oak fermented. Riddled and aged in bottle for 36 months

Tasting Notes

Light pink in color, the 2022 Rosa Maria Sparkling Rose shows baking spices and Brioche on the nose, followed by dried Rose petal and apple notes. The fine bubbles tickle the tongue offering flavors reminiscent of peach cobbler and crème fresh. The palate is dry and clean, with a long lingering finish. This sparkling wine will pair beautifully with pan seared scallops and oysters on the half shell as well as light deserts and cheeses.

Winemaker Production Notes

The Sangiovese was picked early from Le Vigne's Aquerello vineyard to retain the acidity and youth. After brief skin contact to extract some color, the grapes were whole cluster pressed, settled and racked to tank for primary fermentation. Once the fermentation was completed the wine was transferred to sparkling bottles that were inoculated with a small amount of sugar and yeast, these bottles were then riddled for 6 weeks and left on the yeast lees for 3 years. After disgorging, the bottles were corked, capped and labeled.
